

PLEASE
PRAY

WITH US!

Although each project is unique, many experience similar opportunities and challenges. You are invited to pray as led using this prayer guide for the initial Bible translation project launch phase.

PRAY FOR ADMINISTRATION

- Please pray for the ability to decide on a balanced budget. Intercede for wisdom in handling underlying assumptions for any significant project changes or potential challenges.

PRAY FOR CHURCH RELATIONS

- Pray for God to supply local church leaders and pray for their support in Bible translation. As local church and translation projects partner together, please intercede that relational bridges are built and maintained.

PRAY FOR EXPECTATIONS

- Intercede for proper management of expectations. If the team has never worked with a partner before, misunderstandings can result without clear communication. Pray for wisdom in resolving misunderstandings and unmet expectations.

PRAY FOR PARTNERSHIPS

- Please intercede for wisdom in the challenge of discerning translation partnerships. Pray that vision and communication are clearly understood. Pray that efforts result in fruitful partnerships.

PRAY FOR PLANNING

- Pray for understanding in working up a plan, and for the challenge in determining what the goals should be. Some of this planning is accomplished face to face, but most often is completed by email. Ask God for the wisdom and ability to create a realistic plan, given the abilities of the team, with a good rate of progress. The plan should be such that the team can meet the goals and not fall behind schedule.

PRAY FOR PROTECTION

- Intercede for protection from every attack of the Enemy. Often, Satan tries to cause sickness or disunity among team members. Unrest in the area can include political or ethnic disputes over chieftaincy and land, which are not directly related to the project but nevertheless affect the program. Pray for protection among these circumstances.

PRAY FOR VISION

- Pray for grace as vision is shared in the local area. Please intercede that vision will lead to a wide base of support from all denominations in the area from the launch of the project. Pray for cooperation and unity between all involved.

“Pray in the Spirit at all times and on every occasion.
Stay alert and be persistent in your prayers for all believers everywhere.”
Ephesians 6:18 (NLT)
